Two Brothers Die In Kinmount Blaze - House Destroyed

LEN LONSBERRY NEW 1972 CHAIRMAN OF THE COUNTY BOARD OF EDUCATION

The Haliburton County Board of Education held its inaugural meeting for the year 1972 on Thursday, January 6th. The meeting began with Mr. Norm Gilmore, 1971 Chairman, thanking the members of the Board for their cooperation and support during 1971, and indicated that he would not be a candidate for the 1972 Chairmanship. The members then elected Mr. Leonard Lonsberry Chairman for 1972. Mr. Lonsberry was a long time member of the elementary school board for Anson, Hindon and Minden and has been on the County Board of Education since its inception. He has played a very active part in the operation of our Board, having been chairman of many committees. Mr. Lonsberry was the Vice-Chairman for the year 1971.

Mr. Ross Anderson, Jr. was elected Vice-Chairman for the year 1972. Mr. Anderson has a wealth of experience with school boards, having been the Secretary-Treasurer of the Monmouth-Glamorgan Board and also a member of the County Board since its inception. Mr. Anderson has been Chairman of various committees and a hard working Trustee over the past three years.

The members of the Board of Education indicated that they wished Mr. Gordon Sharpless, Supervisor of Transportation to set up an evening with the bus operators and drivers for the purpose of hearing talks and having discussion on safety made for the near future.

The Board has selected the evening of Tuesday, September 12, 1972 as the date for the official opening of the Haliburton Highlands Senior Elementary School, in Haliburton Village.

The Council of Dysart has indicated that they would be interested in owning the West Guilford School to be used as a recreation centre for the people of Guilford Township. The Board passed a motion asking its administrative staff to carry out the transfer of this property.

It was related to the Board that their Federal Local Initiatives Programme has been ac-

cepted by the Government. The school board's programme consists of improvement of their school properties. The members of the Board instructed the administrative staff to proceed to put this programme into operation immediately. To be eligible to work on this programme, unemployed people must be registered with Canada Manpower. This project will require six men, full time, until May 31st, 1972. Any men interested should contact their municipal office for information regarding their registration with Manpower. For information regarding the type of work to be done, phone Mr. Gordon Sharpless, Supervisor of Maintenance, for the Haliburton County Board of Education.

MINDEN FIGURE SKATING CLUB HELD COMPETITIONS

The Senior members of the club competed in club competitions Saturday Jan 9th. in the Haliburton Arena.

The following are the winners Novice Ladies Singles - Susan Leary, 1st Ann Campbell 2nd Pre-Novice Ladies - 1st Kelly Beene 2nd Kelly Greir 3rd Lori Northey.

Juvenile Ladies - 1st Susan Hope 2nd Judy Trumbull 3rd Janie Harvey.

Juvenile Ladies Similar Dance 1st Kelly Greir and Janie Harvey 2nd Judy Trumbull and Susan Hope 3rd Katie Leary and Lori Northey.

The juniors competed last Tuesday and the following are their results:

Pre-Juvenile Ladies 1st Marie Colliss 2nd Karen Moxam 3rd Shelly Moxam.

Preliminary Ladies 1st Shelly Moxam 2nd Karen Moxam 3rd Margie Newton.

Pre-Preliminary - 1st Janine Kellett 2nd Ruth Ray 3rd Debbie Magee.

Pre-Preliminary mens - 1st John Palmer

The above winners will compete in Inter-Club Competitions Sunday January 30th in Bobcaygeon.

The Skating Club is holding a Valentines Dance February

HALIBURTON HIGHLANDS TO ADOPT CREDIT SYSTEM

Plans are now being made to re-organize Haliburton Highlands Secondary School so that it conforms to the new regulations established by the Department of Education. The school in future will operate under what is commonly known as the "Credit System". In incorporating this system, many of the best features of the present Branch and Programme System will be retained and the most advantageous features of the credit system will be implemented.

Under the new regulations, a credit is defined as "successful completion of a course containing work that normally would be completed after 110 to 120 hours of scheduled time". Stated more simply, in our school a credit will be granted for a subject that is taught one period every day, for a school year. As a result virtually all subjects will now be granted "equal time" in order to conform to the regulation. For example, subjects such as Home Economics and Physical Education which were previously taught 4 periods in the course of a six day cycle will now be taught every day. Practical subjects such as shorthand and technical Shops will be taught two or three periods a day, to those selecting them and these students will earn an equivalent number of credits for completing them successfully.

The new regulations state that 'a secondary school graduation Diploma will be granted to a student who has completed successfully a minimum of 27 credits'. The 27 credits must include a variety of subjects from all grade levels and from certain subject areas. In order that students may obtain a liberal education; certain subjects will be compulsory and minimum work loads will be established to ensure the completion of the 27 credits in the four year period.

(Continued on page 2)

12th at the Kinsmen Centre. A delicious buffet will be served at this dance. Tickets are available from any member.

Two brothers died Friday, January 8th in a fire that levelled their frame house just north of Kinmount.

Dead are Jack Silver, 42, and his brother Ronald, 31, who lived with their father, Harry Silver, in a small isolated house located one mile north of Kinmount on Highway 121.

Mrs. Betty Vanlier, who with her husband operates the Kinvale Inn, called provincial police here in Minden at approximately 8.30 p.m., after Mr. Silver (Harry) pounded at the door of

her establishment. She said she had been closing for the evening and was reluctant to answer the door but the man called to her to call police because "his house was flat".

She said the man appeared to be in shock and had been burned but she did not believe his story at first. She did call police however, and later learned of the tragedy.

Mrs. Vanlier said Silver told her he came home and found his house in flames. "I don't think he had fully realized what had happened," she said.

Minden OPP called the Kinmount fire department which was at the scene within minutes and the Minden Fire Department arrived by 9 pm. but they were unable to save either the victims or the house which was completely destroyed.

Temperatures were as low as 15 degrees below zero and the wind was high and bitter as firemen fought the blaze. The fire was apparently caused by a lantern which exploded when one of the men was lighting it, according to Police. The flames spread quickly trapping the two brothers. There was no telephone in the house.

Minden OPP are still investigating the fire.

TWO MEN INJURED IN THREE - TRUCK CRASH

Two men suffered minor injuries and damage totalled \$1,900 in two accidents in this area on Thursday of last week.

Robert Sinclair, 23 of Eagle Lake, and Jackie Morrison, 23, also of Eagle Lake, were treated for minor injuries at the Haliburton Red Cross Hospital following a three-truck crash on Pine Lake Road, between Eagle Lake and West Guilford.

Minden Detachment of the Ontario Provincial Police report that Morrison's dump truck had stalled and Glen McCall, 31, also

"WE SELL THE EARTH AND INSURE IT'S CONTENTS"

HERE AND THERE

with Fenwick Finch

More and more I find myself feeling concern for the pattern of life that seems to be setting up for certain of the young people. The way of life they are being educated to and seem to be ac-

cepting is that of living on welfare or the theory of something for nothing. It upsets me when I read of a single youth going into Toronto or other larger centres and being a ward to the city — to add insult to injury, if he shacks up with someone they get double the amount. I find it very hard to justify this.

Maybe they are taking a leaf out of Thoreau's book, Walden. He states many times his theory — he was convinced of the theory, "the less labour a man did, the better for him and the community."

Walden is a book that has always been highly recommended to aspiring writers and others who wish to get down to "essential living."

You must bear in mind that the two years' experience that Thoreau had in living by himself at "Walden" took place about the year 1845. Not much of his theory could be applied today. It would be nice if such an existence were possible but it is a fool's paradise and it seems a shame that so many young people lean this way.

Let me give you a little story that shows what I'm getting at. The moral of the story is basically the same as I have stated above.

"On the west coast near Vancouver there was a flock of normally conservative, independent, self-reliant sea gulls. They lived a fairly good life because they worked at it industriously. They had to. Their daily work left them healthy and reasonably happy, with little idle time in which to become restless and dissatisfied. Such was life in general with that particular sea gull population over a long, relatively uneventful existence. Each one lived in a place commensurate with his capability and the extent of its application. It might have been considered a rather mundane life by the sea-gull intelligentsia, but it was honest, comfortable and an adequate form of existence. One day a new element entered their lives. A self-contained "catchum-to-canum" fishing boat dropped anchor off the shore. The fishing boat proceeded to catch and can fish at high production. The leavings were thrown overboard. Since many forms of life are prone to be lazy, the inherent greed of the gulls soon adapted them to live without working. The gulls ate well but worked less and less. As time went on, the gulls not only quit working but also lost the urge, knowledge and ability to work. In effect, they went on welfare — not because they had to but because it was easier. They lived from one bellyful to the next. 'They never had it so good.'

In a way this was true but, without the discipline of work and need, they became more selfish, greedy and physically and morally indigent — zeros as far as contributing anything to the social and economic wealth. Life became one round of self-indulgence, dissatisfaction, shiftlessness and irresponsibility. Then, one day the fishing boat moved to another far-away location. The sea gulls having lost their source of income, the urge, incentive and knowledge of how to work and how to make a living, simply died of starvation."

We seem to be heading this way — working as little as possible and loafing as much as we can. Leisure seems to be the goal — work, frugality and responsibility are unwelcome irritants.

So much for this week. My thanks to Irl C. Martin, former pres. of the Woodward Governor Co. for the "seagull story."

Drive carefully, your life is valuable and we have a lot going for us up here and we'd like you to be around to enjoy it.

HALIBURTON HIGHLANDS TO

ADOPT CREDIT SYSTEM

(Continued from page 1)
For example, at Haliburton Highlands, English will be a compulsory subject in all grades except grade Thirteen. An additional regulation is that students will be required to study a minimum of eight credits in the first year and seven credits in each of the next three years. This workload totals 29 credits two more than the required 27 credits. However, this regulation protects the students. For example if one or two credits are not successfully completed over the course of four years the student would still have the opportunity to qualify for the Secondary School Graduation Diploma.

In the determination of these local regulations consideration has been given to the requirements of the Universities and Community Colleges and students will be kept abreast of any changes in their requirements. Above all we intend to maintain the highest possible standards of education for the students of this County.

The preceding definition of a credit also applies to subjects in Year 5 or Grade 13. Students will be granted the Honour Secondary School Graduation Diploma upon the successful completion of six credits in Year 5. It is of interest to note that Grades nine to thirteen will now be referred to as Years One to Five. In addition, the five year courses will be called advanced level and the four year courses general level.

Students who have studied under the "Branch and Programme System" will have their courses evaluated in light of the new "Credit System" in September of 1972. It is stressed that no student will suffer as a result of this evaluation.

TWO MEN INJURED IN THREE - TRUCK CRASH

(Continued from page 1)
of Eagle Lake, stopped his logging truck in front of the Morrison vehicle to give it a tow.

Sinclair, driving a pickup truck, was also proceeding west on the same road and slid into the rear of the Morrison truck, pushing it into the rear of the McCall truck.

It is believed Morrison was attempting to fasten a chain to the front of his truck at the time of the impact and thus suffered his injuries.

Damage to the Sinclair truck was set at \$750 and damage to the Morrison truck at \$550. There was no damage to the McCall truck.

In another accident, on Highway 519, three miles north of Haliburton, cars driven by Melvin Madill, 34, of Haliburton, and Frank Dewey, 63, of Gooderham, collided at a laneway leading to the highway.

Neither driver was hurt but damage in the collision totalled \$600.

Choosing The Snowmobile For You

In the early days of snowmobiling, for many people it was enough just to own a machine, without giving too much thought to getting the exact, right machine for their own individual or family type of winter fun.

Now, however, with the greater sophistication of machines (and buyers!) most new owners are carefully analyzing—and seeking out—exactly what they want in a snowmobile.

As an aid to this selection process, the recreation experts at Mercury snowmobiles suggest that anyone buying a machine consider the following items before purchase:

Basic Use — Will the machine be used for trail riding, racing, winter farm or ranch work, hunting, etc., or what combination of activities. Careful study here will indicate choice of a regular or wide-track machine, and help determine optimum engine size—for you!

Drivers—If women and/or children will be driving the snowmobile, will they be able to handle the bigger, heavier model the man of the family might choose?

Similarly, while manual starting might be fine for many men, most women will appreciate the convenience of an electric starter.

Other factors to consider include seating comfort, steering ease, the value to you of extra-cost accessories such as tachometers and—of course—price.

LAKE KASHAGAWIGAMOG TOURIST ASSOCIATION RE - VITALIZED

Businessmen, around Lake Kashagawigamog, who are interested in the potential of the vacation industry in this area, have had two energetic meetings at Halimar Lodge, to re-organize the Lake Kashagawigamog Tourist Association.

The first of these meetings was held at the home of Bruce and Marian Henry on December 14th. Those present represented the original Resort or Business properties, who were the initial members of the Kashagawigamog Resort Owners Association, formed in 1958. They met to decide if it was feasible to continue the Association, and, if so what their objectives should be. The eleven people present voted unanimously to continue and to expand the membership in the Association to include stores, marinas, campgrounds, and cottage resorts, as well as lodges. All business owners whose property is on Lake Kashagawigamog, and who are interested in attracting visitors to our Highlands are welcome in the Association. After much discussion, the name "The Lake Kashagawigamog Tourist Association" was decided to be the most viable for the 1972 organization.

Letters were sent out to Lake Kashagawigamog business owners telling them of the hopes and aims of the Association.

On January 5th, an open meeting was held at Halimar Lodge with more businesses represented, to discuss areas of further study and debate, to exchange views on aims, and to elect an executive. A very interesting evening was spent under the able chairmanship of Bruce Henry. One point strongly stressed at this meeting was the unanimous resolution that the Association will work within, and in close co-operation with the

Chamber of Commerce to help in the development and improvement of this section of the tourist area. It is hoped to have good liaison between the businessmen and the Lake Kashagawigamog Cottage Owner's Association, to co-operate on concerns such as pollution and ecology, and to make this area more attractive for all summer visitors.

It was agreed that a map of the Lake Kashagawigamog area will be printed, showing the location of each business and resort, to help visitors find their destination easily. These maps will be available to all members for their own promotion.

Those present at this meeting elected a five man executive composed of Bob Carnegie of Royal View Lodge, Frank Dunsford of Dunsford's Grocery, Bruce Henry of Halimar Resort, Art Ward of Wig-A-Mog Inn, and Carman Wright of Wright's Grocery and Marina.

A very delicious lunch was served to those present, at the close of the meeting.

TOUGH BATTLE

This year will go down as one of the toughest battles ever, for organizing a Winter Carnival. The reasons of course are simple — with no arena, we have no facilities, and with no facilities,

we can make very little, if any, revenue.

This is the task facing the Minden Winter Carnival Committee this year, but in spite of the handicap, Ed Pettinger, Chairman, and his committee are working extra hard to overcome, what seems to be the impossible — to stage Minden's 12th. Annual Winter Carnival.

Ed tells me, everything is well underway, and if all goes well, this years caper will be quite a success. Helping Ed is Gerry Heywood and Reg Welch, both are Vice-Chairmen; Marie Cox and Shirley Brandon are handling the Carnival Queen Contest; Ester Shaver is back once again with her Carnival Queen Doll draw; Allin Cooper and Doug Pritchard are in charge of the Nail Driving and Log Sawing contests; Garth Kellett is chairman of the Broomball tournament; Peggy Brown and Wynn Lahay are the willing secretaries for the committee, with help from Helen Cox and Ruby Windsor.

Les Northey, an ardent snowmobiler, is in charge of the Family Snowmobile Cruise — for information on this see Les or inquire at the Information Booth on Main Street.

The Committee have three vans coming — O'Keefe Brewery Ltd. Van; Ontario Hydro Coach; and the Ontario Provincial Police Safety Van. These vehicles will be in the Mall on Main Street. The Mall last year proved very successful — this year most of the entertainment will be on an outside stage, here. Another specialty in the Mall will be the open Bar-B-Q pit, with roast beef on the bun. The old Modern-Aire Restaurant has been rented and will be set up as the information and registration booth, with free coffee each day of the Carnival.

The committee have two dances lined up for Carnival weekend — one, a "Sock Hop" at the Public School on Friday night starting at 9:15, with the "Chinooks" supplying the sound. On Saturday night at the Kinsmen Centre, Blair Bailey will be on hand with his orchestra, starting at 9:00 p.m.

One of the big attractions at the Minden Curling Club will be the, now famous, "Hiram Walker Bonspiel." This is a three day event which includes nine draws. Hiram Walker has been a great sponsor of this Bonspiel for many years, and through the tireless efforts of Thomas Sheridan, their representative for this area, the Bonspiel has always been a great success.

You will notice in the centre spread of this paper the program for the Winter Carnival, along with a host of advertisers, who have supported the Carnival committee financially. Without the support of the merchants listed on that page, the Carnival this year might not have got off the ground, so a hearty thanks to you all, for your support.

There are many more events and interesting happenings not listed in this column, but from now till Carnival time we will keep you posted on the activities which you can look forward to seeing, Carnival Weekend in Minden.

SCHOOL OF FINE ARTS WILL SHOW CRAFTS AT WINTER CARNIVALS IN JANUARY

The Haliburton Highlands Guild of Fine Arts will once again be sponsoring an exhibition and sale of local crafts, and free coffee and cookies, Saturday at the winter carnivals being held the last two week-ends in January. Haliburton, January 22 and 23 Minden January 29 and 30.

Anyone interested in participating in these exhibitions is asked to contact the office of the Haliburton Highlands Guild Of Fine Arts.

CLASSIC FILM APPRECIATION

Have you ever seen a film you really enjoyed and thought about how it was conceived, what did they show such and such a scene for and why didn't they show something else?

During January, February and March, residents of the Haliburton Highlands will have an opportunity to see full length motion pictures and discuss their significance in terms of technical brilliance, great acting, social significance or just plain nostalgia.

These films will be shown at the Haliburton Highlands Secondary School, and discussion carried on in the Gallery of the Guild of Fine Arts.

The instructor will be Mr. Gordon Gray, of Sir Sandford Fleming College, who is currently conducting a similar course in Peterboro.

The Haliburton Highlands Guild of Fine Arts is joining with Sir Sandford Fleming, continuing education division, to give the people of the Haliburton Highlands an opportunity to join in this course of Classic Film Appreciation.

For further information regarding this course, call Haliburton Highlands Guild of Fine Arts, 457-1680.

NHL ALL STAR SELECTIONS —

The following are my East - West all-star selections for this year:-

1st. Team East	1st. Team West
Centre - Phil Esposito	Centre - Garry Unger
Right - Rod Gilbert	Right - Bill Goldsworthy
Left - Vic Hatfield	Left - Bobby Hull
Def. - Bobby Orr	Def. - Pat Stapleton
Def. - Brad Park	Def. - Bill White
Goal - Gilles Villemure	Goal - Gary Smith

BROOMBALL —

Anyone interested in entering a Broomball team in the Minden Winter Carnival please contact Garth Kellett or Cliff Burke. To date the Red and White Tel-Stars are entered. There is also possibilities that Beaverton, Canington, Minden Kinsmen, Minden No-Stars and a team headed by Dwight Thomas will be entered.

SHUFFLEBOARD —

Correction on December 28th winners of the Dominion Hotel tournament, Al Cox and Wilf Ackerblade were the proper winners. Last weeks winners were Cooney McKelvey and Aubrey Maxwell.

MINOR HOCKEY —

Novice Tie Haliburton Twice

Minden Novices continue their excellent play with two ties with Haliburton last weekend. Friday saw the Novices tie 4 - 4 with goals to Brian Shaw, Mark Greir, Tom Gough and Paul McKenzie.

Sunday evenings 2 - 2 tie with Haliburton was one of the best games of the season. Minden lost what appeared a certain win in the final two minutes of the game, when Haliburton scored, to tie the game. Brian Shaw and Tom Gough scored Mindens goals. Novices next game is in Woodville Saturday, January 15, with a return match with Woodville, Sunday, January 16 in Haliburton at 4 p.m.

Bobcaygeon Midgets Thump Minden

Bobcaygeon midgets completely dominated the play on Sunday, as they outscored Minden 8 - 4 and outshot them 49 - 29. Bobcaygeon fired 22 of their 49 shots in the third period scoring five times. Wayne Harrison scored twice for Minden, with singles going to Bill Jackson and Royce Miller. The officiating in this game was excellent.

MITES WIN SEASON OPENER

The Minden Mites started off the season season on the right foot as they defeated Bobcaygeon 2 - 1 in Haliburton Saturday. Harold Porter scored both Minden goals, one assisted on by goalie Mike Hatkoski.

PEE WEE 'A's' DROP A PAIR

The Minden Pee Wee 'A' team continues to have its problems as they dropped two more games last week. Their record to date is one tie in seven games. On Wednesday in Haliburton they went down to defeat at the hands of the powerful Fenelon team 5 - 2. Bill Hogg and Peter McKenzie scored for Minden.

Minden travelled to Bobcaygeon on Thursday and were drubbed 6 - 1. David Brown scored the lone goal, his first of the year, late in the third period.

PREDICTIONS OF THE WEEK —

Miami Dolphins over Dallas Cowboys by 1 point in the Super Bowl.

Saturday, 15th Montreal over Buffalo 6 - 2; New York over Toronto 4 - 3.

Sunday 16th Montreal over Buffalo 4 - 3; Toronto over St. Louis 7 - 3.

BEST SELLER

Churches with a runaway best seller? You can believe it! The new hymn book published by the Anglican and United Churches a few months ago has sold out — all 185,000 copies. Now officials are wondering how they can appease eager church members until March when the second printing will come off the press. Already, there are orders on hand for 20,000 more copies.

The first edition was the result of six years of studying by a committee of 25 clergy and lay people from both churches, who searched out and examined 10,000 hymns and tunes from all over the world. Finally, 507 hymns were selected, of which 150 are new. Canadian authors wrote 57 hymns, and Canadian musicians composed 45 of the tunes.

"It is the finest hymn book ever produced, with the finest type, paper and design," said the Rev. R. H. Davidson, vice-chairman of the committee. Alan R. Fleming of Toronto was the designer; music engraving was done by University Press, Wurzberg, Germany, and printing by Southam-Murray of Toronto.

Bishop Frederick H. Wilkinson of Toronto is chairman of the committee, the Rev. Stanley L. Osborne of Oshawa secretary, and Ven. G. H. Johnson of Toronto associate secretary.

WATCH FOR ROTARY BINGO

Many people have been inquiring when the Rotary Bingos will start in the new year.

Rotary Club Committee members said on Monday night the Bingo will be starting sometime the end of February or the first of March. A notice will be placed in this paper at a later date.

LEAVE DECORATIONS UP

The Winter Carnival Committee have asked that all Christmas decorations stay up until after the Carnival. It is felt that because Minden has so many beautiful decorated homes, it adds to the festivities of Winter Carnival Weekend.

8-FT BOOSTER CABLES

DOLLARS AND GOOD SENSE

by William J. Martin

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875, London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

Recently the U.S. Department of Housing and Urban Development described the typical U.S.

FHA insured home-owner and compared him or her to the buyer of a decade ago. I thought you might be interested in the profile it compiled.

To start with, the buyer is 33.4 years old, earns \$13,608 per year and pays \$23,056 for his home. That compares to a buyer of 33.6 years old, earning \$8,256 and paying \$14,662 in 1960.

The typical home buyer takes on monthly payments, including utility bills and maintenance, of \$245.92. The buyer arrives at this figure with a down payment of \$1,749 and closing costs of \$500 to assume a \$21,307 mortgage.

The typical home is a one-story structure with garage or carport but no basement. It contains three bedrooms, more than one bathroom and has 1,229 square feet of floor space. During the decade, our aver-

age home buyer's income rose 64.8 per cent and the price of his new home rose 57.3 percent. The price for his site increased 101.1 per cent while the structure itself rose only 50 per cent.

For the typical buyer of an existing home insured under the government's Federal Housing Authority, the age, income and sales price all drop. This buyer is 33.3 years of age with an income of \$11,268 and his home costs \$17,959.

The typical existing home is also a one-story structure with three bedrooms, but only one bathroom and no garage. Floor space is 1,236.

This composite picture was drawn from data processed under the U.S. National Housing Act which has been in operation since 1934. In 1970, over 55,000 new homes and 222,000 existing homes were insured by FHA under this program.

How closely do you resemble the typical U.S. home buyer?

MINDEN

BY TOM TREMFIX

Q: Our basement floor is a mess. The concrete always looks dusty and dull and it's practically impossible to keep it clean. Would painting it help? If so, should we use a special type of paint?

A: Yes, you should use a paint that has been formulated especially for use on concrete. You certainly need to eliminate the "dusting" problem you now have as this indicates that if the concrete ever was sealed, the sealant is no longer effective. For a floor that will be easy to clean, use a rubber-base concrete paint called Colortread.

This will dry to a durable gloss finish that's easy to wash with a sponge mop.

EASY TO USE

You don't use any primer or sealer, but you should make sure your floor is clean and dry. The fastest way to apply the paint is with a long-handled roller. It will cover solid in one coat and dry in two hours. However, if the concrete is very porous, a second coat is recommended for best wear. Because of its rubber content, Colortread is considered an excellent moisture sealant.

If in the future you decide to tile your basement, you won't have any problem. Unlike porch and deck enamels, this rubber-base paint doesn't have to be removed before tiling. Tiles can be applied directly to it using an emulsion type of adhesive.

CHOICE OF COLOURS

This concrete paint is for both exterior and interior use, and it's available in five colours: 'Tide red, light gray, silver gray, green and sand.

For information on concrete paints, write to Tom Tremfix, The Tremco Manufacturing Company (Canada) Ltd., 220 Wicksteed Ave., Toronto, 17, Canada.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO

EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land to widen Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS
Minister of

Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:
In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario being:

(a) Part of Lot 2, Concession 4, designated as PART 22 on Department of Transportation and Communications' Plan P-2904-39 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-212.

(b) Parts of Lot 10, Concession 9, designated as PARTS 4, 5, 6, 7, 9, 10, 11, and 12 on Department of Transportation and Communications' Plan P-2904-42 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-215.

(c) Part of Lot 14, Concession 11, designated as PART 9 on Department of Transportation and Communications' Plan P-2904-43 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-218.

(d) Part of:

(i) Lot 2, Concession 6, designated as PART 23

(ii) Lot 3, Concession 6, designated as PART 21

On Department of Transportation and Communications' Plan P-2904-47 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-217.

This Notice first published on the 6th day of January, 1972.

HALIBURTON HUSKIES TIE ONE - LOSE ONE

The Haliburton Huskies played probably their best game at home on Sat. night, but were edged by the first place Lakefield Chiefs by the score of 3 to 2. Although the Huskies lost this important game, it was gratifying to see such an improvement in their play over the past 2 weeks. With the Lakefield club having such a wellbalanced and speedy attack, the Huskies were forced to skate all out for the entire game. Most spectators felt that the local boys deserved at least a tie and were very close to getting just that at the end of the game.

The Chiefs took a 2 to 0 lead by the midway mark of the first period as they got goals by Blackburn and Hogarth. The Huskies failed to get on the score sheet, but it was not because of lack of hustle. They just had no luck around the net. Roger Bain brought the Huskies within 1 goal at the 6:18 mark of the 2nd period on a power-play effort. At this point the Huskies were coming on strong but due to a poor effort in their own end the Chiefs came back

with another goal 2 minutes later. The play was wide open with both clubs firing 23 shots at respective goalies. Good was steady in the Husky nets as the tension mounted. The Huskies felt that if they could get a goal on the Chiefs early in the 3rd period they would have a good chance of tying the game or perhaps easing out a win. John Parish brought the Huskies within one goal as he blasted a shot from the blue-line past Johnson in the Chiefs net. Leary and McElwain assisted on the play. It appeared that the Huskies would overtake the Chiefs but as time ran out and the Huskies continued to press, the Lakefield team dug in and played a very effective defensive game as they kept clearing the puck on fast breaks or icing calls. The Chiefs ran into a penalty at the 16:55 mark and the Huskies continued to apply the pressure and do everything but get the puck into the net. Dennis Good was pulled for an extra attacker during the final minute but the forwards just couldn't score. Although the Huskies

lost it was satisfying to see the boys give such a strong effort against such a strong team. The Lakefield Chiefs are certainly the team to beat in the league, and the Huskies are looking forward to the playoffs so that they can get a crack at beating them.

The game in Fenelon on Thursday night was a different story as the Huskies played a strong 2 periods and then collapsed allowing the Flyers to tie them. The Flyers took the lead at 9:27 but it lasted only 2 min. as Woodcock scored to tie the game. Gerry McElwain gave the Huskies the lead at the 15 min. mark to end the period. It was the Huskies in the 2nd as they scored 3 unanswered goals to give them a 5 to 1 lead going home. It was early in the 3rd that the Flyers put the Huskies on the run. They scored 3 goals to draw them within a goal of the Huskies. Bill Leary scored a few seconds later and it looked as if this would be enough to hold the Flyers. A defensive lapse at the end of the period enabled the Flyers to tie the game with goals coming at 17:04 and 17:33. The Huskies nearly won the game with a late period rally. Rick Wood and Bev Hicks were the goalgetters in the 2nd period along with McElwain's second.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO

EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the realignment of Highway Number 35 at the intersection of Old Portage Road.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS
Minister of

Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:

In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario being parts of Lot 2, Concession 6, designated as PARTS 5 and 7 on Department of Transportation and Communications' Plan P-2904-47 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-217.

This Notice first published on the 6th day of January, 1972.

HUSKY HI-LITES:

The attendance for Sat. game was 350 which is far from being a good crowd for the calibre of the game.

The Bobcaygeon Ti-Cats will be in town this coming, Sat. night, to renew old rivalries.

Now that Christmas and New Years are over it is hoped the fans will come out to support their hockey team.

**MINDEN CURLING CLUB
IS CALLING ALL LOCAL
TEENAGERS**

We would like to see you people out on the ice, Saturday's or Sunday's, (when you have nothing else to do anyhow).

The day, or day's, is not set, get together, let us know how many wish to curl, and when.

Membership for students is only \$5.00 per season and free instruction will be provided (for anyone who asks for it). Several Club members have promised their assistance (when requested) if we can get a good group started.

C'mon you guys and gals, call Marian or Bill Ingram at 286-1195, lets get a fun afternoon going for you, after all, you will soon be our competition on regular league play.

Associate memberships are still available at the club at \$10.00 per season, entitling you to all the social amenities of the Club, and or entry to Club Bonspiels.

Rinks are still required for Carnival weekend Bonspiel, fees are \$20.00 per rink, with promises of good play, and social frivalities:- Call now! Jack or Jean Jackson 286-1964 or Doug or Shirley McGee 286-1534.

— Marian Ingram

LICENCES NOW DUE

Approximately two million Ontario car owners have still to purchase their 1972 licence plates with less than two months to go before the February 27 deadline.

At the end of December only 11.5 per cent of the estimated total of 2,233,039 car licences had been issued in the first month of sale, the office of the Registrar of the Motor Vehicles Division, Department of Transportation and Communications, reported today.

There will be no extension of the February 29 deadline, he emphasized.

"Owners are advised to get their plates as early as possible to avoid the usual last-minute surge of sales with their time consuming line-ups," said a department official.

THE STATUE

All men are not created equal!

at 7:15 and 9:15

by Lorna Rogers

The life and times of the revolutionary leader of the People's Republic of China- Mao Tse Tung- are chronicled in a documentary on CBC Tuesday Night, Jan 18. It traces his career from his callow, poetic youth to leader of the largest nation on earth. It also includes excerpts from his poetry thoughts and autobiographical notes, as dictated to journalist Edgar Snow (the first western journalist to meet him). As well journalists and historians discuss his impact on the world.

Playwright George Salverson has come up with a fascinating portrait of a typical railroader in the old days for The Bush and The Salon, Jan. 15- his father.

John Marier of Ottawa, winner of the 1968 Song Market, has another entry in this year's series. In June, sung by Barb

Gryfe will be heard on The Entertainer, Jan 21. Other songs featured that date are The Beginning of the Ending, written and sung by Ada Lee, of Peterboro, Ont. and Understanding Hand by Alan Chapple of Toronto, who's had a song entered in every contest. Maybe this time he'll come up a winner.

Sunday and Friends begins a new series Jan 16 called The Crazies interviews with oddball, outspoken characters across the country who have interesting occupations, pastimes or viewpoints. First off, Marty The Witch who sells spells in Montreal, and Elias Mallett, who sells astrological predictions in Toronto and who predicted in November that Prime Minister Trudeau's baby would be a boy.

On Concern, Jan 19, an interview with an expert on 'space language' who says he's pretty fluent in 'Venutian' but as yet

can't speak a word of 'Martian' Wonder where he went to school?

Alexandra Lagoya, one of the leading classical guitarists of the century will be heard on recital from St. James' Cathedral, Toronto, on Distinguishel Artists, Jan 15. Of Greek-Italian origin, he has lived in Paris for the past 20 years and is now a French citizen. For many years he and his wife, Ida Presti toured as duo-guitarists until her death in 1967. Since then he has continued his career as a soloist throughout Europe, and has taught at the JMC Orford Arts Centre in Quebec, and played with symphony orchestras in Quebec, Kingston and Calgary.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the widening of a Township Road and the channelization at the intersection of Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS
Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

COMING EVENTS

Card Party at Hyland Crest January 18th, 1972 sponsored by the Kinetite Club of Minden.

WEDDING ANNOUNCEMENT

Mr and Mrs. Sinclair Nesbitt of Minden are happy to announce the marriage of their daughter Wendy Jeanette to Mr. Dennis Leroy Billings of Lindsay, on January 15th, 1972. Relatives and friends are cordially invited to spend the evening with them at the Royal Canadian Legion, Haliburton at 9 p.m.

IN MEMORIAM

JOHNSTON In Loving Memory of our two brothers Alvin Carl who died accidentally Jan 16-64 and Myles Ellwood who was killed Oct 11-68.

As Angels keep their watch up there, Please God, just let Alvin and Myles know, That we down here do not forget, We loved and miss them so: They couldn't say goodbye to us, But perhaps its just as well We never could have said goodbye to our brothers whom we loved so well. Sadly missed by brothers and sisters.

JOHNSTON In Loving Memory of our two sons Alvin Carl who died accidentally Jan 16-64 in his 7th year and Myles Ellwood who was killed Oct. 11-68 in his 20th yr.

Our family circle has been broken Two links gone from our chain Though we're parted for awhile We know we'll meet again God broke our hearts to prove to us he only takes the best You both were gone before we knew it To Eternal rest God knows how much we miss you both, He counts the tears we shed, And whispers: they are only sleeping Your loved ones are not dead Memories will always flow, for what it meant to lose you Alvin and Myles no one will ever know. Sadly missed by Mom and Dad

**RED CROSS SERVES YOU
EVERY STEP OF THE WAY**

ABOUT THE TOWN

With Jeanne Sears

We understand that Peterborough has a by-law for Snowmobiles not being on the streets after eleven-thirty. Where are all the machines going in our village at 2 in the morning or later, or don't these people have to work the next day?

While playing cribbage in her home with Mr. and Mrs. Bruce Scribner, Greta Alsop was the luck holder of a 29 hand.

Mrs. C. McInerney and daughters spent their holidays in Barbados, visiting with Clarence McInerney. What a nice change from our snow and cold weather.

Those at the Hyland Crest celebrating birthdays last month, December, were Reuben Wilson, Louise Yarnold and Maud Boice with belated good wishes to these elder citizens.

Effie and Harry Newman left this week for a visit with their family in Toronto and then on for several months in Florida.

Patients at the local hospital this week included Beverly Ann Prentice, Mrs. Martha Vanderwahl, Hugh Wilkinson, Robert Kernohan, Wilda La Rue, Shelley Horsley, Roy Horsely and William Dovell; Mrs. Holly Kernohan is a patient in Ross Memorial following surgery. In Toronto General is Mrs. John (Irene) Stewart.

The mini Card parties have started again, Thursday afternoons at the Parish Hall. This is a good time to get together and enjoy friendly games of cribbage and euchre.

Congratulations to the newlyweds Mr. and Mrs. Bradley Redner (nee Carolyn Johnson) whose wedding was Saturday.

Other persons having birthdays were Mrs. William Cox and Martin Taylor with best wishes to them for many more to follow.

Many deaths since last week, with sincere sympathy going to the families and friends of Mrs. Earl Toye, Claud Austin, Kenneth Moore, Hector Taylor, Jack Davis and George Brennan.

A serious accident was the death in a fire near Kinmount of Jack and Ron Silver. Sincere sympathy to the family and friends.

Hint of the week — When making pies don't forget to cut in circles, those little bits left over of the pastry, these may be frozen and used for tarts later on.

Mrs. R. Lewis and I attended the Luncheon-Workshop for Haliburton County Librarians at the County Office last week. This was interesting as we turned in our year-end reports and discussed problems, and set up dates for the next book exchange later this month.

Do you think this is right — For good or ill, your conversation is your advertisement. Every time you open your mouth, you let men look into your mind.

Has been the usual winter weather, but what beautiful sunsets lately. Supposed to rain today, Tuesday. Drive carefully it might be icy.

Cheerio until next week.
